General Admission Information

The University considers applications for admission on a rolling basis. The Admission Committee reviews applications as soon as all supporting documents have been received. Applicants are encouraged to apply at the beginning of the term or semester prior to which they wish to enroll. While the Office of Admission makes every attempt to accommodate students who apply at any time, applications completed less than one week prior to the beginning of a term or semester may not be reviewed before courses begin.

The application for admission to the St. Louis campus also serves as the merit scholarship application. February 1st is the priority deadline to complete the application for fall semester applicants who wish to maximize their consideration for scholarship, financial aid, and housing. Applications submitted for the fall semester after the February 1st priority date will be considered for scholarship, financial aid, and housing spaces on an "as available" basis.

Students should apply to only one Webster University campus. Applicants may contact the Office of Admission at their original campus to request a change in the Webster campus location of an existing application.

First-Year Admission

To be considered for first-year admission, applicants should submit the following:

- A completed online application for undergraduate admission. Students may submit the University's institutional application or The Common Application. Equal consideration is given to both during the admission review.
- A high school transcript showing grades from all high school attended or from a home school program. A GED/ HISET certificate may be provided in lieu of the high school transcript. All transcripts issued in a language other than English must be accompanied by a certified English translation.
- Transcripts from all college-level credit courses obtained while in high school.
- Webster University is a test-optional university. At the time of application, students may decide whether they wish for test scores (ACT or SAT) to be considered for admission. For students submitting test scores as part of their application file, Webster will accept self-reported test scores. Freshman applicants can list test scores on their Common Application, and these test scores will meet the requirement for admission. All freshman admitted with test scores and who ultimately enroll at Webster must submit official test scores prior to the start of their first term. Scores listed on an official high school transcript are considered official.

Furthermore, the Office of Admission, when it deems necessary, reserves the right to request the following additional documents when considering a student for admission:

- Letter of recommendation.
- A personal statement/essay.
- A resume or summary of current activities if the student is not enrolled in classes full-time.

Applicants should submit official transcripts from all institutions attended to the Office of Admission at transcripts@webster.edu or the following address:

Office of Admission, Webster University, 470 E. Lockwood Ave., St. Louis, MO 63119

Phone: 314-246-7800 or 1-800-753-6765

Attn: Office of Admissions

Some academic programs have additional admission requirements, such as an audition or portfolio review for programs in the Leigh Gerding College of Fine Arts. These requirements are outlined in their respective academic section of the catalog. After the application is completed, the University Admission Committee will render an academic admission decision. Upon submission or completion of the portfolio or audition, the respective department's admission committee will render a programmatic decision.

Home schooled applicants are welcomed and should submit a high school transcript or an official copy of the appropriate state high school equivalence test.

Early Enrollment: Students wishing to take courses prior to high school graduation should apply as a Non-Degree applicant. These students are evaluated individually, based on their high school academic record, and the course(s) they desire to take at the University.

Additional Documentation

- International applicants who will require a student visa or resident permit must submit a photocopy of the biographical page from their passport.
- Applicants whose native language is not English must demonstrate English language proficiency by submitting official copies of valid test scores from TOEFL, Academic IELTS, Duolingo or Pearson.

All official documents and other materials submitted in support of the application become University property and cannot be returned or reproduced.

First-Year Admission Criteria

Applicants most likely to be admitted will have a cumulative grade point average of a 3.0 on a 4.0 scale, a minimum ACT composite score of 21 or a combined SAT score of 1050 (if applicable), and a class rank in the top 50 percent of their high school class, if reported.

Within the first term of enrollment at Webster, each applicant to the freshman class is required to submit a final high school transcript and/or external examination certifying the date of graduation within the first term of enrollment at Webster. Students who fail to do so will not be permitted to register for subsequent terms.

Adult/Transfer Admission

Each adult freshman applicant and each transfer applicant who has previously attended a college/university or other post-secondary institution must submit:

- A completed online application for undergraduate admission. Students may submit the University's institutional application (available at <https://webster.edu/apply>), The Common Application or the Coalition application.
- A high school transcript listing date of graduation or GED/HISET scores if the applicant has successfully completed fewer than 30 semester credit hours (approximately one year) of university level credit.
- A transcript from each college, university or other post-secondary institution previously attended or from which credit was attempted. All transcripts issued in a language other than English must be accompanied by a certified English translation.
- Additional credentials as requested.

Furthermore, the Office of Admission, when it deems necessary, reserves the right to request the following additional documents when considering a student for admission:

- Letter of recommendation
- A personal statement/essay
- A resume or summary of current activities if the student is not enrolled in classes full-time.

Applicants should submit official transcripts from all institutions attended to the Office of Admission at transcripts@webster.edu or the following address:

To be considered official, transcripts must be received by Webster University directly from the issuing institution, or in the case of electronic transcripts, directly from the official transcript service provider. If the student is to deliver transcripts, they must be in sealed, unopened envelopes and certified with the official seal of the issuing institution. Official transcripts must be sent directly to the main campus in St. Louis and other documents pertaining

to admission should be sent directly to the campus to which the student applied and/or currently attends.

An applicant is considered a transfer student if they have attempted college coursework any time following their high school graduation (not including the summer term immediately after graduation).

Additional Application Requirements

- An audition or portfolio review is required for students applying as fine and performing arts (art, dance, music, or theatre) majors. See special program admission requirements under the respective academic section of the catalog.
- RN to BSN degree completion applicants should submit official transcripts from all college level education, a professional résumé and should contact the St. Louis main campus nursing office (nursing@webster.edu) to set up their pre-admission interview once all transcripts have been received. - Military applicants must consult their military education officials prior to enrollment at the University. Members of the U.S. Army must apply for admission using the Army Ignited Student Portal. Applications will then be directed to the Office of Admission for entry. All documents required for admission to the degree program will apply. Applicants with prior military experience must submit copies of their service records to be considered for transfer credits. For Air Force servicemen and women, transcripts from the Community College of the Air Force (CCAF) are acceptable. Transcripts from CCAF should be requested and sent to the Webster University Office of Admission. For all other branches of service, the Joint Services Transcript (JST) transcript should be requested and sent to the Office of Admission at transcripts@webster.edu. Students can request the JST by visiting <https://jst.doded.mil>.

Adult/Transfer Admission Criteria

When considering an adult/transfer applicant, the Admission Committee looks for documentation that the student's prior academic experiences will provide an adequate foundation for success in college-level coursework taken at Webster. The most important factor considered is the applicant's previous academic record, as evidenced by high school and/or college transcripts. Strong consideration will be given to applicants who have achieved a cumulative grade point average of 2.5 or better (on a 4.0 scale) on all previous academic work.

Certain academic programs have additional academic requirements. Please refer to each academic program for details on additional admission requirements.

Webster strongly encourages transfer students to contact the University early in their academic careers to request information about transfer to the University. More information on credit transfer, special transfer opportunities, and degree requirements can be found in the Academic Policies and Information section.

California Applicants

As a prospective student, you are encouraged to review this catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which

Admission | Undergrad

must be provided to you prior to signing an enrollment agreement. California Education Code (CEC) §94811 defines an ability-to-benefit (ATB) student as a student who does not have a certificate of graduation from a school providing secondary education, or a recognized equivalent of that certificate. Webster University does not serve this category of student.

International Student Admission

Webster University welcomes applications for admission from students from all countries. General information about degree seeking study at Webster University's international campuses may be found on the website by clicking on the Worldwide Campuses tab and scrolling to the International Campuses.

Application Requirements

- A completed online application for undergraduate admission. Students may submit the University's institutional application or The Common Application. Equal consideration is given to both during the admission review.
- An official high school transcript and external exams (if applicable in applicant's home country). All transcripts issued in a language other than English must be accompanied by a certified English translation.
- Proof of English language proficiency. See English Language Proficiency section below for approved methods.
- A 300- to 500-word essay on a topic of the student's choice, such as a special interest, significant experience or notable achievement.

Some academic programs have additional admission requirements, such as an audition or portfolio review for programs in the Leigh Gerding College of Fine Arts. These requirements are outlined below and in their respective academic section of the catalog. After the application is completed, the University Admission Committee will render an academic admission decision. Upon submission or completion of the portfolio or audition, the respective department's admission committee will render a programmatic decision.

Strong consideration will be given to applicants who have achieved a cumulative grade point average of 2.5 (equivalent) or better (on a 4.0 scale) on all previous academic work.

International students recruited to the U.S. will be required to pay a Tuition Deposit equivalent to a one-semester tuition charge, and only applies to tuition fees. This Tuition Deposit is non-refundable upon enrollment and forfeited if the student decides to transfer out of the University. Any forfeited Tuition Deposit will be applied to tuition fees if the student rejoins the University within twelve (12) months from the date of their last class attendance.

Undergraduate applicants who apply and are provisionally accepted either by submitting unofficial transcripts or before completing their high school diploma degree must submit a final transcript indicating the degree received and the date conferred. If transcripts do not indicate degree or conferral date a copy of diploma is required. This official transcript must be on file within eight weeks from the beginning of the student's starting term for full acceptance to the University.

There are two paths for submitting official transcripts for international students:

1. Request the university sends Webster University an official transcript directly in a sealed envelope.

2. If the student has attended a school in a country that does not issue transcripts to other schools, and instead issues only one original certificate or mark sheet directly to the student, then the student can bring in their original, final transcript and diploma to a Webster staff member, for the staff member to verify and take certified true copies. These copies will become the official transcripts and the originals will be returned to the student.

International Transfer Students: An official transcript from all colleges/universities/post-secondary schools attended must be submitted to the Office of Admission. Institutions must be accredited by the appropriate recognition body. U.S. institutions must be accredited by a regional accredited body. Non-U.S. institutions must be recognized by the Ministry of Education as a university-level provider of higher education and accredited by any appropriate agencies within the home country and any countries in which it operates and/or issues degrees. This transcript and/or diploma must show the degree received and the date conferred. In addition, an official high school transcript listing the date of graduation is required if the applicant has successfully completed fewer than 30 semester credit hours (approximately one year) of university level credit.

Additional Documentation

- International applicants who will require a student visa must submit a photocopy of the biographical page from their passport.
- **Applying for a visa:** Students requiring a visa to study in the country in which their campus is located will be required to provide additional documentation for the visa process. Visa documentation requirements can vary at international campus locations depending upon the applicant's citizenship status and/or country of origin at the time of acceptance to the University. Applicants should check with the campus they plan to attend for specifics. Students are responsible for applying and obtaining their visa. The University will provide support and guidance during the process and will notify applicants if additional documentation is required to complete the application file. Upon receipt, the University can vouch for student status and any associated charges.
- International students recruited to the U.S. will be required to pay a Tuition Deposit equivalent to a one-semester tuition charge, and only applies to tuition fees. This Tuition Deposit is non-refundable upon enrollment and forfeited if the student decides to transfer out of the University. Any forfeited Tuition Deposit will be applied to tuition fees if the student rejoins the University within twelve (12) months from the date on their last class attendance.

Important: Applicants from abroad should complete and submit all necessary documents at least four to six months before the desired entry term to allow sufficient time for accepted applicants to apply for a student visa. In addition, applicants should retain photocopies of all documents submitted to the University as these may need to be presented at the consulate/embassy when applying for the student visa.

Dual Admission

Webster University has signed dual admission partnership agreements with area community colleges to help ensure a seamless transfer for students from the associate degree to the baccalaureate degree. Students can be dually admitted to Webster and the community college partner, gaining access to resources at both institutions. Admission requirements and details

Admission | Undergrad

for each dual admission partnership can be found on the Office of Admission website: www.webster.edu/dualadmission.

Undergraduate Degree Completion Admission

Applicants to Webster's upper-division degree completion programs must follow application procedures listed under Adult/Transfer Application and must have successfully completed an associate degree or at least 64 credit hours (or 56 credit hours in the state of California) of college-level work prior to beginning studies at the University.

Online Programs

Webster University offers undergraduate degree programs in an online format. For a complete listing of available programs, please visit the Online Learning Center's website: www.webster.edu/online/index.

Students interested in pursuing a degree in an online format must abide by the same admission requirements mentioned above, depending on their incoming status (whether first-year, adult, or transfer). Additionally, because many of the undergraduate degree options offered online are degree completion programs, they are subject to the additional degree completion admission requirements mentioned above.

Online students are encouraged to submit an application for admission at the beginning of the term or semester prior to which they wish to enroll.

Conditional Admission

The University may choose to admit a student whose academic credentials fall below stated requirements on a conditional basis. Students who are accepted on a conditional basis may be required to take specific courses during their first semester at the University and consult with representatives of the University's Academic Resource Center. Conditionally admitted students must successfully complete their first semester with a Webster University grade point average of at least 2.0 or above to remain at the University. Please see Academic Progress in the Academic Policies and Information section of this catalog for information on dismissal, reinstatement and readmission.

Provisional Admission

An accepted student whose application file is incomplete due to an outstanding final transcript or other required document is classified as a provisional admit. This status applies to all students still enrolled in coursework, those who need to submit external examination results, or those students who submit uncertified translations of transcripts. Students admitted on a provisional basis must submit all required documents before any federal financial aid may be disbursed and before they may register for a subsequent semester.

Full Admission

An accepted student whose formal application file contains all official and final transcripts and, if needed, literal and certified translations of applicable documents is classified as a full accept.

General Application Information

Admission to Desired Major

The Admissions Committee at Webster University reviews each applicant's background for two areas of competence. The initial review focuses on the student's overall academic performance in all coursework attempted prior to application at Webster. The second review concentrates on the student's previous preparation and ability in the intended major area(s). The decision regarding admission to the University will be based on both areas of review.

However, admission to the University does not guarantee acceptance as a declared major in any specific program. Students normally request formal acceptance into the desired major after a period of satisfactory academic progress at Webster. Requirements for acceptance as a major vary and are set by individual departments and programs.

Certificate Program Application

Students who wish to pursue a Certificate program at Webster must apply and be accepted as a degree-seeking student.

Deferred Admission

An accepted student may request a deferral of their acceptance for up to one academic year by making a written request to the Admission Office. Students who defer admission must submit official transcripts of any academic work completed after acceptance and prior to enrollment at Webster.

Readmission/Break in Enrollment (Leave of Absence)

Degree-seeking students whose enrollment has been interrupted for one calendar year or longer must apply for readmission prior to resuming studies at the University. Readmitted students follow the academic policies and degree requirements of the catalog in effect at the term of their re-enrollment. Readmission is normally requested through the Office of Academic Advising.

Students requesting readmission must submit official transcripts of all academic work completed since prior enrollment at Webster. Students must pay any outstanding balance in the Business Office before the student is permitted to enroll. Students who voluntarily leave the University while on academic probation will be readmitted on probation. See Academic Progress under the Academic Policies and Information section of this catalog.

Non-Academic Issues and Admission

Webster University reserves the right to deny admission based on non-academic reasons when it is believed to be in the best interest of the University. A disciplinary violation or criminal conviction may affect admission, enrollment, or course of study, whether occurring prior to the time of application, while the application is under review, or after the admission decision has been made.

Failure by the applicant to fully disclose this information on the application can result in revocation of the admission offer, disenrollment after matriculation, or other disciplinary action. If a student's application misrepresents any information, for any reason, admission or enrollment may be revoked.

Notification of Decision on Admission

The University's admission decision is communicated by email and letter. Students who are admitted will receive information regarding enrollment confirmation and registration information.
