

Music (BM) Performance w/Emph Voice

This program is offered by the Leigh Gerding College of Fine Arts/ Department of Music and is only available at the St. Louis home campus.

Program Description

The bachelor of music in performance is a pre-professional degree designed to prepare students who wish to pursue a future in the professional music world as a performing artist or studio teacher. This degree requires an emphasis in orchestral instruments, jazz, piano or voice.

The voice emphasis is designed for the student who wishes to pursue a career as a professional performer or pedagogue. Extensive applied instruction and classes on technique, pedagogy, repertoire in various languages and performance styles, as well as ensemble experience, constitute the core of the curriculum.

Learning Outcomes

Upon completion of the BM performance with an emphasis in voice, the student will be able to:

- Exhibit knowledge of the physiological elements of vocal production as demonstrated through progressive consistency of performance in terms of technique, communication of ideas, poise and artistry.
- Integrate the core music curriculum of theory and history into their performance through written program notes, enabling them to incorporate appropriate stylistic choices to bring authenticity of performance to their vocal repertoire, while also strengthening their writing skills.
- Demonstrate command of pronunciation and interpretation of multiple languages used in vocal repertoire.
- Demonstrate skills in critical listening and appropriate commentary on musical performance.
- Demonstrate a beginning knowledge of teaching to further understand the workings of the vocal instrument and put into practice techniques of pedagogy.
- Perform collaboratively with pianists, instrumentalists, vocalists and in ensembles.

Admission and Audition Requirements

To be admitted as an undergraduate music major or music minor, applicants must complete an audition/interview with the music faculty and complete various diagnostic examinations. Auditions are arranged through the Office of Undergraduate Admission. Specific information on the audition requirements is available from the department's website. Priority consideration for performance scholarships is given to students who complete all admission requirements before February 28 of the application year.

Performance Requirements

As music is collaborative in nature, performers require preparation in a variety of solo and ensemble experiences. Performances with a collaborative pianist and orchestra, small and large vocal ensembles, and chamber music are all part of the degree.
