

## CAEP Annual Reporting Measures 2019 Report Pertaining to 2015-2016 Completers

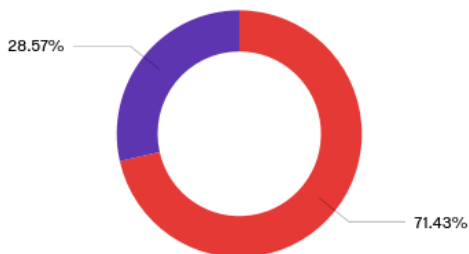

### Measure 3: Satisfaction of employers and employment milestones (Component 4.3 | A.4.1)

Graduates of Webster University’s initial certification and advanced programs from academic year 2015-2016 were surveyed in Spring 2019 regarding their employment milestones (i.e., retention and promotion/tenure).

71.43% of respondents from the initial certification programs, and 70% of respondents from the advanced studies programs, indicated that they have been employed at the same school district since graduating from Webster three years prior.

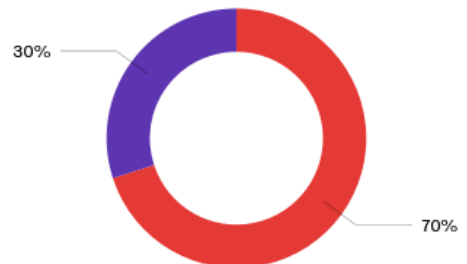

#### Initial Certification Programs

$n = 7$

#### Advanced Studies Programs

$n = 10$

- I have been employed at the same school district since graduating from Webster University.
- I have been employed at multiple school districts since graduating from Webster University.

Alumni were also asked if they have been tenured and/or received any promotions since completing their academic programs at Webster University in academic year 2015-2016. While none of the respondents from the initial certification programs indicated that they have been tenured and/or received a promotion in the past three years, 30% of respondents from the advanced programs have been tenured and/or received a promotion.
