

CAEP Annual Reporting Measures *Pertaining to 2017-18 Completers*

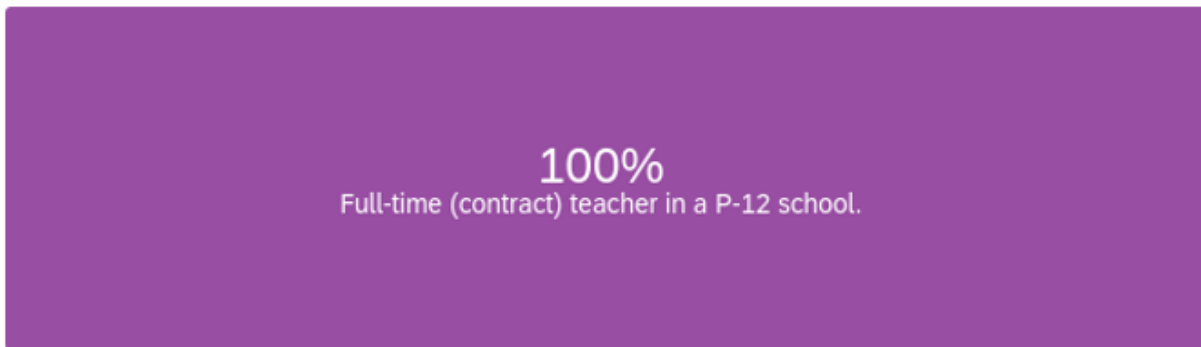

Measure: Satisfaction of employers and employment milestones (Component 4.3 | A.4.1)

Graduates of Webster University’s initial certification and advanced programs from academic year 2017- 2018 were surveyed in Spring 2021 regarding their employment milestones (i.e., retention and promotion/tenure).

100% of respondents from the initial certification programs survey indicated they are employed full time in a P-12 school. There were not any advanced certification program survey responses to report.
