#WeAreAllWebster

As a member of the WEBSTER UNIVERSITY community,
I promise to consciously promote acceptance and demonstrate respect.
I will dedicate myself to actively listen to each person’s story.
I promise to learn from and embrace differences among identities.
I will recognize commonalities and shared experiences.
I will practice inclusive language and be open to learning.
I promise to educate others to foster an inclusive community that treats every person with dignity and respect.
I will honor this commitment in my classes, workplace, personal life, and all other pursuits on and off campus. I pledge to make everyone feel safe, valued, and part of our global community.
