Welkom!

Willkommen! Welcome to Webster Vienna, and to the Webster International Network of Schools (WINS) conference agenda. This program is designed to provide in-depth understanding of our study abroad programming, and to facilitate deeper collaborations between and amongst WINS participants, Webster staff and faculty members.

Come learn about Webster's international campuses within a unique, artistic and intellectual city shaped by residents such as Mozart, Beethoven and Sigmund Freud. Vienna boasts stunning architecture that includes the Imperial Palace, the State Opera House, the Kirche am Steinhof and the Kunsthistorisches Museum. The Vienna Campus, Webster Vienna Private University, opened in 1981 and is now located in the beautiful Palais Wenkheim, just a few steps away from the city center.
